

STUDENT & YOUTH JOBS

with Parks Canada

Make it a season you'll never forget!

Learn to operate the historic locks of the Trent-Severn Waterway.

Enjoy working in the outdoors? Become a front line ambassador for Parks Canada.

The Historic Canals and Waterways are defining features of Canada and provide communities and visitors with beauty, recreation, and a unique sense of history. Parks Canada plays a leadership role in the protection and operation of these special places. Join our team and discover your own chance to be a part of history.

About the Trent-Severn Waterway National Historic Site:

Built 1832-1920, the Trent-Severn Waterway is a 386km navigation route travelled by boaters, paddlers, and land-based visitors. Much of the original engineering is still in operation today and approximately 1.4 million visitors come from around the world each year to experience this one-of-a-kind travel destination.
