**The County of Renfrew Child Care & Early Years Division would like your valuable input to improve child care and early years services in Renfrew County.**

We are seeking the public's valued input to inform the development and implementation of the County of Renfrew Child Care and Early Years Plan, which will be submitted to the Ministry of Education and made available to the public later in 2019.

In this questionnaire, we would like to gather information about the child care and early year's needs of families and children aged 0-12 years. The more information we have about the child care and early year's needs of families in the County of Renfrew, the better we are able to plan and work towards meeting these needs.
